## Tools for Achieving Organisational Peak Performance Breakfast

Tuesday 19 March 2013

Staff peak performance can be improved in your business with the help of the innovative Genos systems.

The highly respected Genos Organisational Effectiveness and Engagement products are currently being introduced to Queensland for the first time by TP Human Capital. Respected organisations such as Microsoft, NAB and QANTAS are current clients of Genos.

We encourage all HR Managers and Senior Advisors to attend this breakfast session to get the latest information on how the unique Genos systems can help your organisation.
