

ESSENTIAL SUPERVISORY SKILLS

Unlock the potential in your team. Designed specifically for frontline supervisors and team leaders, this two-day interactive workshop provides the 'know-how' to build teams, motivate individuals, and create a safer, more engaged and productive workplace.

Duration 2 Days (9am to 4pm)

Investment \$895 per person

TP Human Capital can customise the program so that it directly relates to your workplace. After consultation and discussion aimed at gaining an in-depth understanding of your specific business needs, TP Human Capital will design a tailored programme based on your work environment. Certified facilitators then guide your team through an engaging and interactive workshop exploring the keys to Essential Supervisory Skills.

Tangible Outcomes

Get people to work cooperatively and collaboratively

Establish clear expectations around interpersonal behavior

More effectively engage, motivate and respond to others

Enhance the workplace performance of others

Provide corrective feedback and manage conflict
